Please let us know if you need help in this process.
Financial Assistance
Kingsway Christian School is blessed to be able to offer some financial assistance based on a family's financial need. Completion of a FACTS application online is required for consideration of financial assistance. FACTS, a third-party vendor, then provides Kingsway with an estimated amount to offer the family requesting assistance. The Financial Aid Committee then prays for discernment to help as many families as possible while staying within the funding available for financial assistance.
