Financial Assistance
Kingsway Christian School is blessed to be able to offer some financial assistance based on a family's financial need. Completion of a FACTS Financial Aid Application (online) is required for consideration of financial assistance. FACTS, a third party vendor, then provides Kingsway with an estimated amount to offer the family requesting assistance. The Financial Aid Committee reviews each application and prays for discernment as they seek to give assistance to as many families as possible while staying within the funding available for financial assistance.
